Men Need Each Other

One of the strengths of EncourageMen lies in bringing men together to learn and listen to each other. There are no gimmicks— just an informal 30-minute teaching period followed by 20–30 minutes for men to gather in smaller groups to talk about what they’ve heard, how it applies to their everyday problems, and offer their mutual support.

That’s important. And the impact can be felt not just in our lives—but also in our families ... in the workplace ... and even the church. EncourageMen is about you. Discovering your strengths and weaknesses, strengthening your relationships, and making new ones.

Through humorous insight and biblical wisdom, each study in this series addresses common problems men face. And how— together, and with God’s help—we can overcome them.

Are you ready to start a new chapter in your life? Pledge to join us as we start this exciting new manhood study. And discover the adventure God intends for you.

Our Topics

This year we are doing a series on Integrity. Throughout the winter we will be looking at several areas of integrity. These include areas of integrity at work, our finances, family life, and worship. Various speakers will be teaching, including Kevin Martin, Rick Rhoads, John Zimmerman, and Steve Stutzman.
